## Cs 1.6 Knife Distance Hack

Knife Distance Hack download - ask questions in the comments went into controversy. First of all, I was very surprised that new knives appeared in the game. This was a little unexpected for me, since from the very beginning of the game in Counter Strike 1.6, I constantly searched the Internet for various cheats for CS 1.6. And finally, I managed to find what I was looking for.

Knife Distance Hack is a cheat on Knife (knives) that will allow us to see all enemies in the distance at a distance.
