Feb 29, 2008 PART B (FOR MAC) –
WORKS WITH FIRMWARE 3.0 –
3.4. . NOW: As a developer, I have
discovered a Windows version of
ziphone but it will run with firmware
3.0 – 3.4 only. If you have a firmware
3.5 or later on your ziphone, you can
use ziphone for windows to upgrade
the firmware. . Now, here is the deets
of what you can download from my
site. . you can download from my site:
8.40 MB In two parts. Mac and
Windows. . After the firmware

download, you will receive a.ipk file.
this.ipk file you can import in. and the
app will work. Before that, you have to
do some. Mar 1, 2008 Mar 1, 2008
