Ji (HD) Bahasa dubbed the full movie - Sunny Deol - Salman Khan - Karisma Kapoor - अक्षय कुमार. Yogamu came to his estate as a servant. His older sister Nagmi (Sithil) did not reconcile with her sister's new husband and made him a scandal. Suddenly, Nagmi dies. Not wanting to come to terms with the loss, Yogamu decides to get a card that allows him to return his sister, and goes in search of her. Along with him are his lover, the mysterious girl Poonham (Maka Bhai), and a niece named Aditi (Ndunti). Yogama and his companions find themselves in the middle of a bloody battle, where they encounter enemies and try to find Yogama and Punhamam's map. A very controversial film, the avengers and heroes never managed to achieve a sense of satisfaction, and the film company did not fully clarify who, and how, killed the sisters. But a very strong, philosophical story. The end of the film is not immediately clear, but at the same time reveals the theme of forgiveness and something more than revenge. 8/10 The purpose of life divine design Life as it is Planet Job, not YogAm
