Advertiser direkt linkeQ: Pick jQuery element from dropdownlist and assign it to input field I'm trying to get jQuery to grab the selected value of the dropdownlist and assign it to a textbox that i've got in this page. I have searched a couple of the forums but only find examples for when you have a button on the page and you click it to get your selection from the dropdownlist. How can I select the value from the dropdownlist and send it to the textbox without a button? Here is what I have in the aspx page:
