It's not really a secret that Anthony Weiner has been attracted to women but we're guessing it's just now becoming an issue for some people. Weiner got so aroused when he saw a woman in LA that he actually tweeted the message "my penis feels like a Dyson". No not that Dyson, the vacuum cleaner. We're not saying he's got a terrible case of Dyson disease or anything. Weiner was referring to the vacuum cleaner and the woman was a model by the name of Emily Ratajkowski. Now she's probably not going to say it's because she found out he was a pervert but we're guessing there might be a little truth in that theory. If he really felt bad, he could hire some software to clean all that up. Alas, he's just more interested in tweeting naughty stuff to the millions. But hey, we've all been there at some point. Sorry, Dyson. ® Bootnote This article was originally published on 16 February, and has since been updated.// Copyright 2009 The Go Authors.
