Void of war, other human strife, and horror, every monster is extinguished. The dragons have lain dormant until the time for a new reckoning arrives. Join a community of gamers who love to create their own experiences. Whether it's a new story, new characters, or just a new way to play, players can choose from millions of items and create anything imaginable. Play in creative sandbox mode, build a story, or hop into a multiplayer game. Join a community of creative and welcoming players, and create adventures for friends. The battle for the future of mankind continues, and it's going to take everything you have to return the world to the way it once was. Humanity must fight once more to take back the land, reclaim the world from monsters, and rebuild. Wipe the slate clean and start a new life. Set sail on an adventurous journey to find a new home. Take out your compass and dive into a vast open world. Make friends along the way and find new islands to explore. Pre-historic life in the Neolithic period was a transition between hunter-gatherer and agriculture: Neolithic culture, which was based on farming. Hunter-gatherers would also have hunted, and the invention of food preservation marked an increase in quality in diet. Intro Who do you want to be? A wizard? A scientist? A chef? Imagine, in this world, there is no limit to your adventures. Craft an adventure, overcome obstacles, and become the hero of your story. Discover the world around you in Middle-earth: Shadow of War, a loot-driven game set in the world of J.R.R. Tolkien's The Lord of the Rings. Set out on a journey across the vast lands of Middle-earth to destroy the Dark Lord Mordor and regain the treasure that was lost to the forces of evil. Middle-earth: Shadow of War features non-linear player progression in a single-player campaign, Warzones with other players online or split-screen, and asynchronous PvP on the open-world environment. Join or create your own fellowship in a clash of worlds. The Witcher series of video games are action role-playing games that are a series of massive open world adventures in an open world Gothic fantasy setting. The series began with a 1997 fantasy adventure game for the Sega Genesis called The Witcher. Witcher 3: The Wild Hunt is the third installment in The Witcher series and is developed by
